Sub: Recognition of increased intake capacity in UG/PG dental courses – regarding.

Sir,

I am directed to refer to the subject cited above and to say that Section 10 of the Dentists Act, 1948 deals with the recognition of dental qualifications granted by any authority or institution in India, which are included in Part I of the Schedule, shall be recognised dental qualifications.

2. Any authority or institution in India which grants a dental qualification not included in Part I of the Schedule may apply to the Central Government to have such qualification recognized and included in that Part, and the Central Government, after consulting the Dental Council of India and after such inquiry, if any, as it may think fit for the purpose, may by notification in the Official Gazette, amend Part I of the Schedule so as to include such qualification therein, and any such notification may also direct that an entry shall be made in Part I of the Schedule against such dental qualification declaring that it shall be a recognized dental qualification only when granted after a specified date.

3. With regard to the recognition against increase in intake capacity in a recognised course either in UG or PG dental courses further notification in the Official Gazette is not necessary but a permission letter of the Central Government is sufficient for the purpose of recognition for increased intake capacity in UG/PG dental courses and the same is valid for the purpose of registration of a dentist in Joint/ State Dental Councils/ Tribunals.

4. In view of the above, Dental Council of India is requested to convey to all the State/ Joint Dental Councils/ Tribunals the above decision. This may also be placed in public domain including DCI's website.

- In case there is discrepancy in nomenclature of branch name, the college authority may indicate the name of branch by which the course is available in remark column.
- In case the UG course is run by college since many years and Govt. of India/ MCI/NMC permission/ recognition letter number and date is not available, the college authority, after confirmation from MCI / NMC website may mention 'as per MCI / NMC website' in column number 2 and mention date of filling up online information in column number 3. In remark column college authority may mention that LOP / Recognition letter is not available, however course is recognized as per MCI / NMC website
- Since, the MCC is not aware of the number of Recognized/ Permitted seats for each college and allotment is made purely on the basis of merit, it is on the discretion of College/ Institute to provide Recognized/ Permitted Seats to the Allotted candidate as per their policy /rules and regulations. However, as a general rule, the candidate with higher merit/ NEET rank may be preferred for recognized seat followed by next candidate for permitted seat.
- Colleges/ Institutes where there have been increase of seats by NMC can contribute the additional seats/ increase in seats for Round-2 on the portal. It may be noted that colleges should not contribute the seats remaining vacant/ resigned after Round-1 or those which have already been contributed in Round-1, as such seats are in system and will be included in seat matrix for Round-2 automatically by the software. Contributing such vacant seats of Round-1 will lead to duplication of seats in the matrix.

Undertaking:

Dr. Mahale working as Dean in this Medical College confirm that the above Information and Number of Seats are as per the Permission granted by MCI/ NMC and the information regarding Fee/ Bond/ Stipend etc. is correct to the best of my knowledge and as per MCI / NMC norms. I hereby give consent that the above mentioned seats may be allotted by MCC of DGHS as per merit. MCC will not be liable for any allotment based on wrong information provided by the college.
